## Call for application to SUSCO Youth Forum 2016

The **Antall József Knowledge Centre** is organising the international conference entitled **SUSCO Budapest 2016** on 16 November 2016. As part of the event, university students and young professionals aged 18-35 are cordially invited to the Youth Forum, showcasing best practices of water management projects, innovative solutions, and technologies, as well as providing an opportunity for discussion on the topics at hand.

**TIME: 2:30pm, 16 November 2016**

**VENUE: Akvárium Klub, VOLT Music Bar (12 Erzsébet Square, 1051 Budapest)**

**LANGUAGE OF THE EVENT: English**

### Projects to be presented include:

- ReHydrant Project
- Impact Hub: Unlikely Allies 2016, Future of Cities
- EUGIC - CEEweb: The Role of Green Infrastructure in Urban Water Management
- Budapest ZOO Thermal Project
- 5 L Project
- Trinity Enviro Ltd in partnership with Climate-KIC Central Hungary: Spatial Planning in Urban Water Management
- Cordi Cooperation for R&D and Innovation Ltd: The Challenges of Drinking Water and Wastewater Treatment inside and outside of Europe
- Valyo: Rak-Park Project

**REGISTER HERE**

Please register by 4 November 2016, noon CET

Please note that applicants selected for participation will be notified by e-mail on 8 November, also containing detailed information regarding your participation in the programme. Applicants selected for participation will be offered the opportunity to attend the SUSCO 2016 conference as well.
